

CALL FOR APPLICATIONS

Graduate and Postgraduate Fellowships Cyber Regulation

The Cyber Forum, a joint project of the **HAIFA CENTER FOR LAW & TECHNOLOGY** and the **MINERVA CENTER FOR THE STUDY OF LAW UNDER EXTREME CONDITIONS** at the **UNIVERSITY OF HAIFA**, announce Master, Doctoral, and Post-Doctoral Fellowships for the 2014-2015 Academic Year, conducting research on Cyber regulation, policy and theory.

Fellowships

The Cyber Forum will award fellowships for Master students, Doctoral students and Post-doctoral researchers for a period of 12 months, up to the amount of 68,000 NIS. The Fellows will participate in the full Cyber Forum program curriculum and events, and will take part in the Cyber Forum research team. The fellowship program is open to both domestic and international applicants.

Who can apply?

Holders of a Bachelor, Master or Doctoral Degree (who received their doctorate during the last four years), interested in perusing research on Cyber regulation, policy and theory.

How to Apply?

Interested applicants should send a letter of application, indicating the type of fellowship for which they apply (Master, Doctoral or Post-Doctoral), and explaining their interest in this program.

Each application should include:

- A research plan (up to three pages), including a description of the research topic, the importance of the proposed research, methodology, and the relevance to Cyber regulation and policy;
- A Curriculum Vitae (CV) (including publications);
- Letters of reference (up to three).

Application deadline: March 15, 2014
