Tel. 03-5209155

1. Scholarships

A. For Israeli citizens only

Scholarships are granted according to the financial situation of applicants and their families. Other criteria such as scholastic achievements, efforts of self-support, army service, etc. are also taken into consideration.

Every recipient must participate in an approved program sponsored by the Social Involvement Unit. Please see below for further details.

Students receiving financial aid from the Student Authority may not apply for additional scholarships.

Application Forms (in Hebrew only) for financial aid (including applications for dormitories) may be submitted by new students until the beginning of the school year and by continuing students by August 31, 2006.

These forms may be purchased at the Dyonon, University Book Store.

B. Graduate Students

The various departments recommend candidates for scholarships. Students should inquire at their departmental office concerning specific criteria and conditions for scholarships.

2. Loans

- a. The Ministry of Education issues loans to Israeli citizens under certain conditions.
- b. Loans from the University Funds. Details and forms regarding these loans may be obtained from the Unit for Financial Aid.
- c. Graduate Students may also apply for Naftali Kier Loans. Details appear on the Dean's office website: <http://www.tau.ac.il/services-heb.html> (in Hebrew).

3. Dormitories

The number of available accommodations is limited. Applicants should consider other alternatives for housing arrangements before the school year begins.

Application Forms – see above.

Please note: Foreign students are granted dormitory housing on the basis of availability.

There are no accommodations available for students with Tourist Visas or Student Visas unless vacancies should unexpectedly arise after all applicants in the above categories have been accommodated.
