Off-Campus Access to Full-Text

Most of the library's electronic resources - databases, journals, books and reprints are only accessible to Tel-Aviv University community and are not accessible to the general public. To access these resources off campus please configure the proxy settings in your computer.

This is a one-time step that will serve you throughout your studies.

Configuring Proxy Settings for Mozilla Firefox

- Look for the "Settings" sign ≡ on the side of the address bar and click it.
- Click on OPTIONS
- In the search line 🔍 Find in Options write the word Proxy.

    proxy
    Settings...

- On the results click on the Settings button
- In the opened window, choose the "Automatic proxy configuration URL" option.
- In the ADDRESS line type: https://www.tau.ac.il/remote.pac
- Click on Ok.
- Restart the browser and go to the library homepage.

Whenever you connect to the library's resources, an identification screen will automatically appear.

Log-in with your university Username and Password.
